Mis No 553

Most Respected Sir,

With due respect I beg to state that I have no house of my own at Tumkur where I now reside. It is not in the Epperience of a few that convenient houses can be procured in this town at low rents. My circumstances do not allow me to pay a rent of more than Rs 2 or 2-8-0 for which no good house will be let out.

Under this above circumstances I am inclined to build a small house of my own and with that view I purchased a Site in the western Extention but want of funds has put back my attempt. I beg therefore to request that I may be granted with a house building advance to enable me to build a house in the western Extention of the Tumkur site - as Security for which I shall mortgage the Site and house to be

Submitted for favourable consideration.
